PROF. DR. MUSTAFA ŞAHİN

PROF. DR. MUSTAFA ŞAHİN

Born in Konya in 1961, he completed his primary and secondary education in Seydişehir. He studied at Istanbul Imam Hatip High School between 1976-1980. In 1987 he graduated from Ankara University Faculty of Medicine and in 1993 he completed his General Surgery education at Erciyes University Faculty of Medicine. He completed his compulsory service in Artvin Şavşat State Hospital in 1993-1994. He worked as chief assistant at Ankara Numune Hospital between 1995-1996. Between 1996 and 2022, he worked as a faculty member at Selçuk University. In 1997, he received training in intensive care and liver transplantation at Brussels Independent University. In 2002-2003, he worked on Bariatric and Metabolic Surgery in the clinic of Prof. Dr. J.L. Dulucq in Bordeaux. In 2004, he worked for a while at the Hammer Smith Hospital in London with Prof. Dr. Nagy Habib on the use of RF energy in hepatobiliary surgery. Dr. Şahin served as Vice President of the European Association for Surgical Research and the Turkish Surgical Association. He also served as the Chairman of the Education Commission and Health Commission Membership of the Interuniversity Council. Between 2008-2011, he was the founding chief physician of Selçuk University Selçuk Medical Faculty Hospital and opened the hospital. Between 2011-2015, he served as vice rector. He served as the Rector of Selçuk University between 2016-2020. He retired from the University in 2022 and left the public sector. Mustafa Şahin, who worked in a private hospital in Konya for a while, has been working as a General Surgery Specialist and Academic Director at Büyük Anadolu Hospital since November 1, 2023.

In addition to his medical education, he graduated from Istanbul University Sociology Department and Anadolu University Theology Associate Degree. Dr. Şahin, who speaks English and Arabic, is married and has 3 children.
